

EXIT MEETING

SFE Co-ordinator:

SFE Student:

Date: (At the completion of the final SFE Semester)

Based on the SFE reports provided and the student's observations, discuss the student's main strength observed during SFE:

Discuss the main improvements / developments observed during SFE:

List any ministry competencies or skills (from the SFE lists) which you recommend should be goals for the student over the next few years. Discuss why you recommend these and how they can be achieved.

Provide details of any areas of which you are aware which require urgent action before the student is prepared for ordination, full-time ministry or congregational leadership. How are these to be addressed?

Discuss with the student his/her godliness, theological formation, giftedness and readiness for full-time ministry:
