

## SFE Application

Use this sheet to offer to have an SFE student placement. This would usually be in a metropolitan congregation, or in one reasonably accessible for a student living in the metropolitan areas.

A placement should offer a student involvement in variety of ministry. Congregational placements would usually include preaching at least twice a semester. The trainer must be available to demonstrate ministry, observe the student, and meet to support and reflect with the student.

This sheet will be displayed for the information of students
